The USDA has extended the opportunity for every K-12 student in Norwalk to have a free breakfast meal and a free lunch meal each school day, regardless of household income. The Nutrition Department is grateful that each student has this opportunity. Breakfast is considered the most important meal of the day. It provides you with energy and nutrients that lead to increased concentration in the classroom. Breakfast is offered each day beginning at 7:30 a.m. in the cafeteria. We would love to see you there!

Nutritional information, including common food allergens can be found at norwalkschools.nutrislice.com. If your student brings a lunch from home, they may purchase a carton of milk in the cafeteria. To fund those purchases, you can make online payments at norwalk.revtrak.net. If you would like to complete a meal assistance application, so that your family may qualify for free or reduced price school fees or other programs like the P-EBT, you may do that at www.schoolcafe.com or you can call the Nutrition Department directly at 515-981-9876 for more information. You have until September 30, 2021 to complete the fee waiver.
