

Sign up for school age children to receive tennis shoes for school

The Norwalk Area Ministerial Association, in collaboration with many local sponsors, is coordinating a tennis shoe giveaway during August 2023, prior to school starting. The goal of the tennis shoe giveaway is so that all Norwalk children can have a new pair of tennis shoes for the start of school. If you would like to receive shoes for your child(ren), please fill out the information on this [form](#) for EACH child (1 box per child) by **July 8th**. You will be contacted in July to schedule a time for each child to try on shoes.

Blessings,
